

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please to not allow big media corporations to limit diversity of opinion by reducing cable ownership caps. Mass media has already eroded diverse opinion in PBS and network news. Do not allow them to continue in this manner.
